We are still in testing stage. If you find that a particular show has been replaced with classical music, this indicates that KCPK has encountered a broadcasting problem. Typically, the problem is resolved by the next hour. We appreciate your comments about problems.

KCPK is an affiliate of Pacifica Radio Network. KCPK airs programs from all over the U.S. which are produced by affiliates. KCPK plans to offer local programming to the Pacifica Radio network, by uploading locally produced shows and giving our community producers the opportunity to broadcast nationally as well as locally. We conclude our sign-on and sign-off with our theme song written for our area's historical documentary, "The Coming of Asphalt as told through Rural Storytelling Performance Art. You can view this video at our website under menu tab "Cal Humanities Video." The theme song is entitled "The Road to Take Us Home" and is written and performed by Lily Landers, Kevin Davis, and Murphy Cross. Any programming you may have heard prior to KCPK's Sign-on or after our Sign-off was coming from a large FM station from Bakersfield at FM 107.1 which over-powers our frequency 106.9 when we are off the air.
